The 25th March 1891.

The right of collecting kuranga or whet stones in the Channarayapatna Taluk will be put up to auction, on Thursday the 30th day of April 1891 at the Taluk Cutcherry, commencing at 11 o'clock.

2. The Amildar or the Sheristadar will hold the sale.

3. The sale will not become absolute until it has been confirmed by the Deputy Commissioner of Hassan.

4. The lease will be in force up to 31st March 1892.

5. The purchaser will be required to deposit twenty-five per cent of the purchase money at the time of the sale, and where the remainder of the purchase money together with the prescribed local cess on the whole amount at one anna in the rupee may not be paid within seven days from the date of his being informed by the Deputy Commissioner of the confirmation of the sale, the money so deposited shall be liable to forfeiture. When such deposits shall not be made, nor the remaining purchase money paid up, the right shall be resold at the expense and risk of the first purchaser.

6. The conditions of the sale are :—

(*a*) That the lessee is not to collect the stone on occupied lands except with the consent of the occupants, who however are not authorized to collect the stones on their lands, or to sell them to any person other than the lessee.

(*b*) That the lessee is not to interfere with the grazing of the hulbanni izardars, or renters of pastures.

(*c*) That the lessee is to allow unoccupied lands to be given out for cultivation by Government, reserving to himself the right of collecting the stone wherever found in them.

(*d*) That the lessee shall not dig up the lands for the collection of the stone, and if the lands are dug up, shall fill up the pits so as to leave the lands fit for cultivation.

P. N. PURNAIYA,
Dy. Commissioner.

KADUR DIVISION.

"Chikmagalur Water Works."

ADVERTISEMENT.

The 18th March 1891.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, up to 15th April 1891, for Chikmagalur water-supply. A very rough estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of July 1892.

2. The plans, detailed estimate, and conditions may be seen at the Executive Engineer's Office at Chikmagalur between the hours of 11 A. M. and 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for Chikmagalur water-supply project;" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Secretary to the Government of Mysore, Public Works Department, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within 8 days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Items of Work.	Per.	Quantity.	Rate. Rs.	A.	P.
Constructing a new Impounding Reservoir.
